# AMC VISION

***To be THE army's provider of MATERIEL READINESS -- technology, acquisition, materiel development, logistics power projection, and sustainment -- across the spectrum of military operations.***

***AMC - Your READINESS COMMAND...Serving Soldiers Proudly***

# EMPHASIS ON READINESS

- ◆ General Coburn has placed maximum emphasis Unit/Materiel Readiness.
- ◆ AMC Field Support Centers and the Operations Support Command (OSC) were developed concurrently.
- ◆ AMC Major Subordinate Commands were given responsibility to establish AFSCs while the OSC was being created.
- ◆ Once the **AMC - Your READINESS COMMAND...Serving Soldiers Proudly** and the AFSCs will transition to the OSC

# AFSC VISION

## Our Vision:

# The Soldier's Gateway

## Mission

### Purpose

- Enhance AMC's world class support to the Warfighter
- Establish an AMC "Single Face To The Field"

- Integrate, coordinate, & synchronize all AMC activities
- Maximize Log Support of the Warfighter by optimizing the Command, Control, and functional relationships of AMC field service

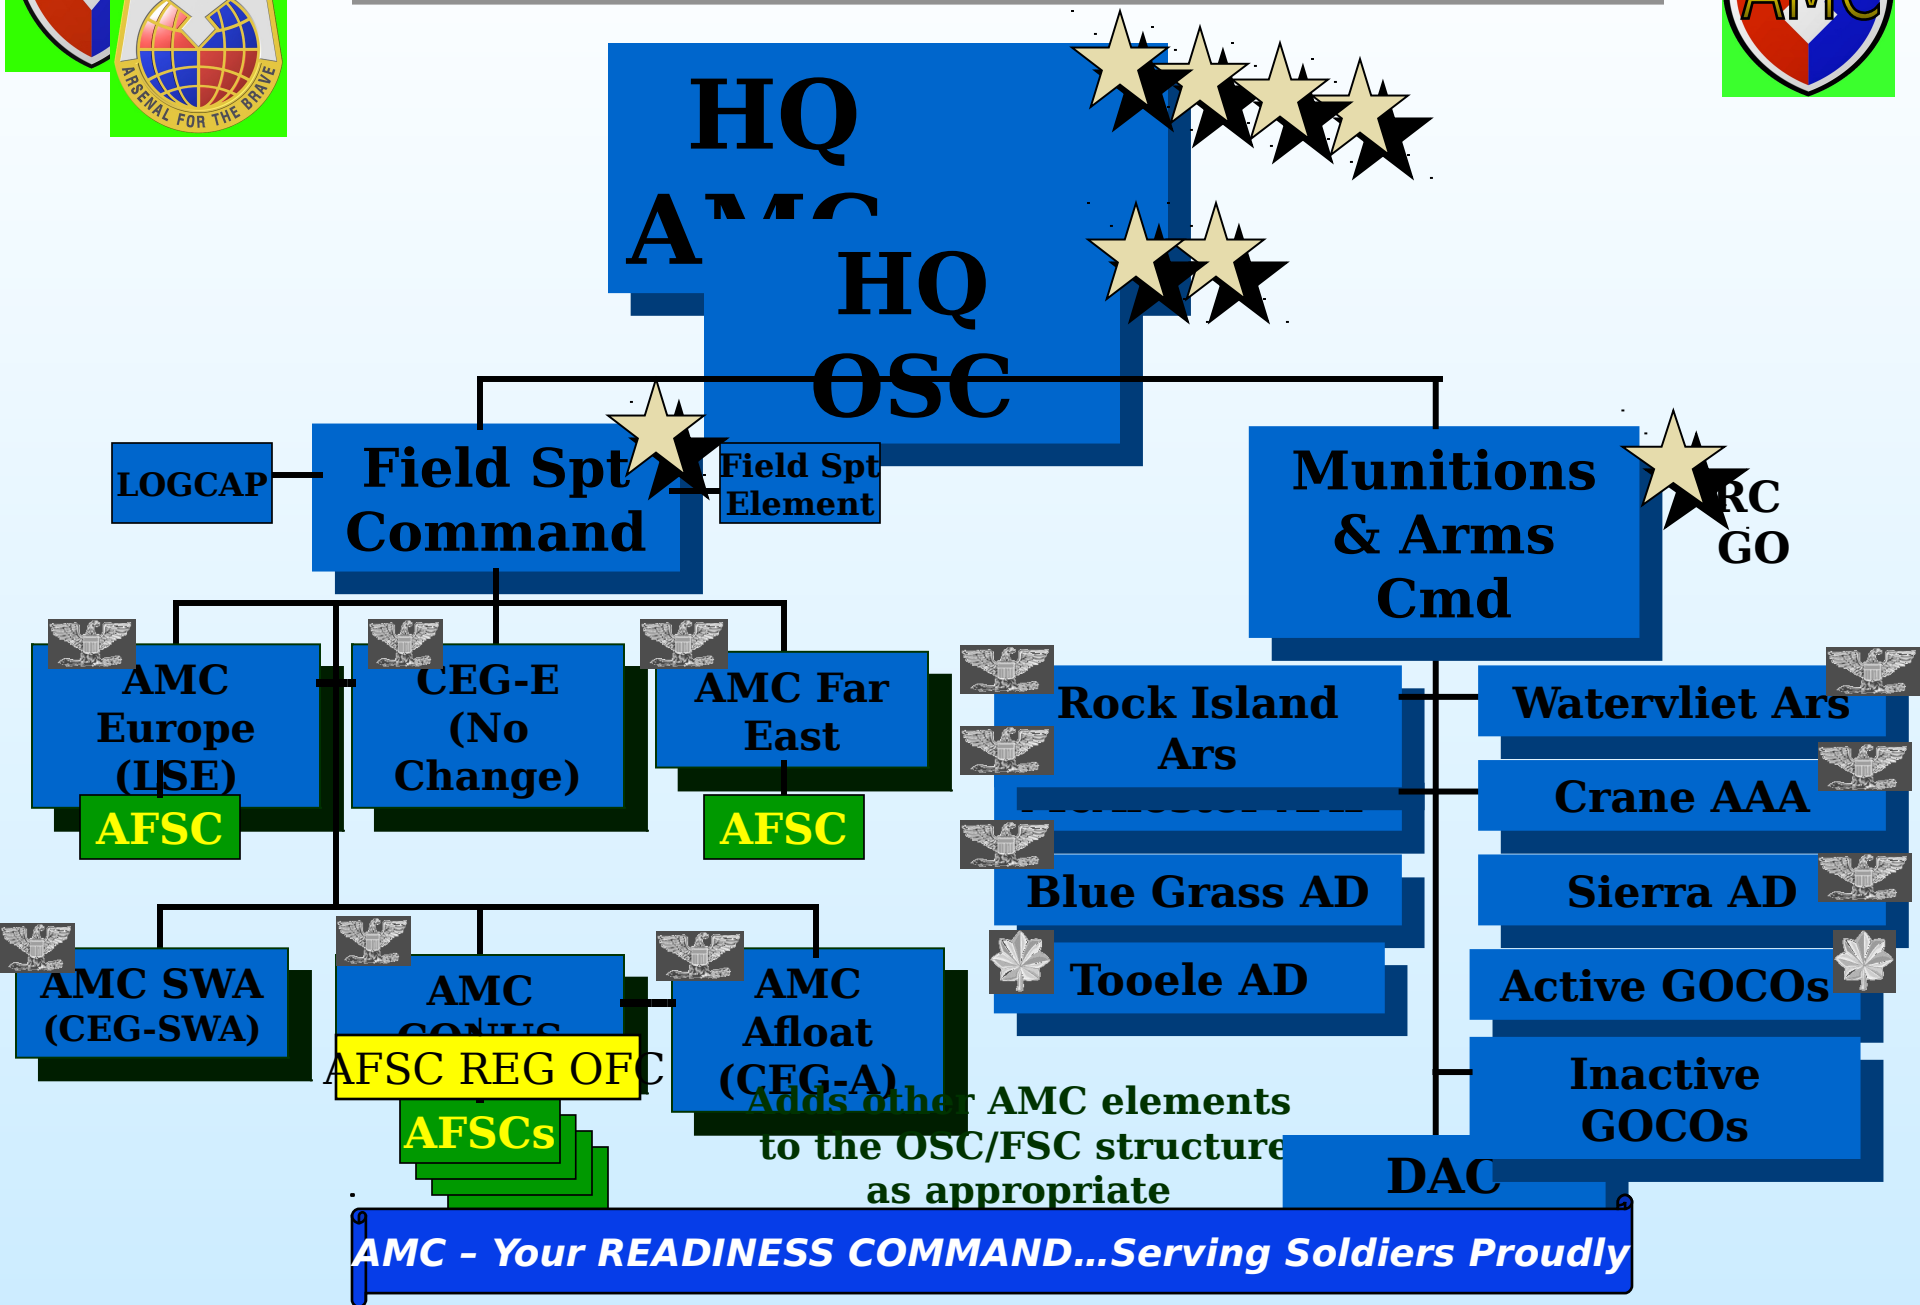

## Objectives

- Improve customer support
- Maintain Warfighter readiness
- Create enhanced awareness of AMC's capabilities
- Provide best value to the Warfighter
- Eliminate redundancy

**AMC - Your READINESS COMMAND...Serving Soldiers Proudly**

# Phase 2 - OSC STRUCTURE

# AMC OPERATIONS SUPPORT COMMAND MISSION

## MISSION

S. Army Operations Support Command

- **Centralized command and control over AMC's forward logistics support elements (LAO/AFSC).**
- **Activities in 35 states, 15 foreign nations and Puerto Rico.**
- **Manages the Army's prepositioned stocks of War Reserve materiel and its two manufacturing arsenals.**

**AMC - Your READINESS COMMAND...Serving Soldiers Proudly**
